

INDIANA HARBOR BELT RAILROAD COMPANY

FREIGHT TARIFF IHB 6011

PUBLIC PRICING DOCUMENT FUEL SURCHARGE TARIFF

IHB began assessing a fuel surcharge in 2003 as a way to recover the rapidly escalating cost of fuel. The Surface Transportation Board recently directed rail carriers to change their methodology of assessing their fuel surcharges. Following the STB's direction the IHB will make the following changes to its fuel surcharge program.

The IHB will assess a fuel surcharge on each common carrier revenue movement handled in line haul or switching service that is governed by one of the public pricing documents listed below. The surcharge assessed will be based on the change in the cost of U. S. No. 2 Diesel Retail Sales by All Sellers On-Highway Diesel (OHD)

The source for the price of OHD is the U. S. Department of Energy's EIA Retail On-Highway Diesel Prices Report whose monthly average price is available under 2-M Diesel Prices - All Types available at the following link <http://tonto.eia.doe.gov/oog/ftp/area/wogirs/xls/psw18vwall.xls>

Monthly data is normally published Wednesday after the last Monday of a given month.

The fuel surcharge for a given month will be determined by the average price of OHD for the second month prior to the month that the surcharge is applied. For example the fuel surcharge for May will be based on the average price of OHD for March. Once the average price is determined refer to the charge below to determine the applicable level of surcharge to be assessed.

Monthly OHD Average Price	Surcharge Per Car		Monthly OHD Average Price	Surcharge Per Car	
	Chicago Terminal	Portage, IN Burns Harbor, IN		Chicago Terminal	Portage, IN Burns Harbor, IN
\$1.501 to \$1.75	\$4.00	\$7.00	\$2.751 to \$3.00	\$29.00	\$53.00
\$1.751 to \$2.00	\$9.00	\$16.00	\$3.001 to \$3.25	\$34.00	\$62.00
\$2.001 to \$2.25	\$14.00	\$26.00	\$3.251 to \$3.50	\$39.00	\$71.00
\$2.251 to \$2.50	\$19.00	\$35.00	\$3.501 to \$3.75	\$44.00	\$81.00
\$2.501 to \$2.75	\$24.00	\$44.00	\$3.751 to \$4.00	\$49.00	\$90.00

For each 25 cents or portion thereof that the average price of OHD exceeds \$4.00 the IHB surcharge will increase by \$5 for stations in the Chicago Terminal and \$9 for the stations of Portage and Burns Harbor, IN.

Applicable public tariffs

IHB 3001 series

IHB 8000 series

IHB 8325 series

ISSUED: April 10, 2007
