RULES AND OTHER GOVERNING PROVISIONS

GENERAL RULES AND REGULATIONS

ITEM 1 – CUMULATIVE INDEX OF NEW AND CHANGED ITEMS

Supplement 1 contains all changes

ITEM 1.1 – SUPPLEMENT 1

Addition of **ITEM 330 – CARS FOUND TO BE LEAKING HAZARDOUS MATERIALS** and **ITEM 340 – CARS FOUND TO BE LEAKING NON-HAZARDOUS MATERIALS**

ITEM 330 – CARS FOUND TO BE LEAKING HAZARDOUS MATERIALS

IHB will assess a charge of **RB 330** for the handling of cars loaded with or containing residue of Hazardous Materials that are found to be leaking, and for which the IHB or its representatives take action for the securement of the leaking car.

Charges will be assessed to the shipper shown on the applicable bill of lading. The charge herein set forth includes administrative and switching charges, but does not include all other securement charges and supplies. Shipper remains liable for demurrage, all other materials, clean-up, and other incidental charges associated with the leaking car. In addition, shipper must provide IHB with any reports prepared on shipper's behalf by third party response contractors in connection with such incidents.

ITEM 340 – CARS FOUND TO BE LEAKING NON-HAZARDOUS MATERIALS

IHB will assess a charge of **RB 340** for the handling of cars loaded with or containing residue of Non-Hazardous Materials that are found to be leaking, and for which the IHB or its representatives take action for the securement of the leaking car.

Charges will be assessed to the shipper shown on the applicable bill of lading. The charge herein set forth includes administrative and switching charges, but does not include all other securement charges and supplies. Shipper remains liable for demurrage, all other materials, clean-up, and other incidental charges associated with the leaking car.
